Parents, guardians, students and staff,

You are the major stakeholders in our system and we want to learn about your experiences in both our schools and our Division.

Thoughtexchange is an online learning tool that allows us to reach out to everyone affected by the decisions made in our Division. This *exchange* enables us to hear your thoughts and learn about your priorities to guide us in creating a renewed strategic plan for 2019 and beyond.

You will be invited to anonymously and safely participate in an *exchange* that flows three steps:

1. **Share** – answer open-ended questions about education in our schools
2. **Star** – review ideas from others and rate the ideas you like best
3. **Discover** – learn what is important to the community as a whole

In a couple of weeks, you will receive an email with an invitation to participate. The information will also be posted on school and division websites. The exchange will be open from November 20th – 30th.

Thank you in advance for your participation. We look forward to hearing your thoughts!

Sean Chase

Director of Education
